

"Go green with one touch, do it all with 4-in-1 in versatility." It's easy.

Versatility, Connectivity, And eco-friendly functionality. That's the Samsung CLX-3186FN laser printer.

Whether you're printing out a presentation for that big meeting or scanning a few favourite photos to send to family members, the versatile 4-in-1 Samsung CLX-3186FN printer lets you do it all. And do it with absolute convenience. Take the One touch Eco-Copy button that helps you save resources and the environment. Just one quick touch and you're making a big difference. And its network capabilities let other users connect and get vivid, high-quality colour printing performance. All this versatility and power, yet the compact CLX-3186FN fits easily almost anywhere.

A one-touch eco copy button that is convenient and earth-conscious.

Located conveniently on the front of the printer panel, the Eco-Copy Feature makes it easy to help the environment. Select from 2up/4up mono or colour print modes and watch –CLX-3186FN combine multiple pages into a single print out, saving time, paper, toner, money, and even the environment.

It multi-tasks so you don't have to.

Productivity is a key to running any office or professional workgroup. The ultra-versatile, fast-printing CLX-3186FN is designed to deliver productivity. Now you can print, copy, scan and fax with convenience, ease and speed. Why clutter a corner of your office with several different machines when all you need is one versatile device – the 4-in-1 CLX-3186FN laser multifunction printer.

Ideal for small, stylish spaces and busy places.

Measuring an ultra compact 416 x 378 x 344.2mm (16.38 x 14.89 x 13.6inch), the Samsung CLX-3186FN easily fits on any desktop leaving plenty of room for you to get your work done. It also offers the perfect blend of beauty and practicality. With rounded edges, elegant LED light and black and crème grey finish, you won't want to hide this printer under a pile of papers. And you'll really enjoy the convenient one-touch eco-copy button on the front panel, helping you.

Capture what catches your eye

Samsung's AnyWeb Print software lets you go hunting and gathering on the Web. You can utilise the CLX-3186FN to easily select, drag, and drop content from different web pages onto a printable scrap board in your browser window, all while you surf the web. It's an easy way to collect, arrange, and edit useful reference points and resources you can only find on the web for big projects – or even just for fun.

One less noisy office distraction

You shouldn't have to struggle to hear yourself think while sitting at your own desk. That's why the Samsung CLX-3186FN is engineered to operate quietly, at only 46dBA (Colour) and 48dBA (mono) while printing. That's less than the gentle hum of a running refrigerator! A desktop printer that does its job while letting you focus on yours.

A soft approach to energy efficiency

In today's green office environment, there's simply no room for energy-hogging printers. That's why the Samsung CLX-3186FN features an easy-to-reach power button right on the control panel, so you can switch to an energy-saving standby mode at the push of a button. Want to print? Just press the button again to power back up, and you're ready to go.

Navigation Ring Key

Always know the status of your print job with the CLX-3186FN's navigation feedback LED pattern. It keeps you clued in with its 11 different job status indicators, including errors and warnings.

Your printing experience just got a lot more colourful.

The CLX-3186FN easily delivers colour accuracy through premium quality 2400 x 600dpi resolution with absolute ease. Also, with toner particles that are smaller and more uniform in shape than traditional toner particles, you'll be impressed with accurate colours and beautiful, glossy printouts.

Lessen your wait, not your expectations

Quit losing productivity waiting around for your documents to print – the Samsung CLX-3186FN's fast print speed (16ppm for mono, 4ppm for colour) will have you back to work in no time. In Ready Mode, the CLX-3186FN features a First Page Output Time (FPOT) of only 14 seconds for black and 26 seconds for colour, satisfying your need for speed. An impressive 2400 x 600dpi print resolution satisfies your demand for quality.

Connect with your colleagues

Connect your entire office to one network and keep everything running smoothly. They can share a common printer and you can save time by supporting only one machine. The Ethernet interface can increase your performance by allowing you to network your printer. Improve your communication skills with the CLX-3186FN network laser printer and reduce the burden of supporting multiple machines.
